Day 15, 16 & 17 Nile Front Cottages

Nile Front cottages are one of a few boutique hotels in Jinja owned by locals. The owners Imran, Sophie and Shadia's love for travelling brought them together to work on a project where they would each recreate their ideal luxury getaway on a single piece of land.

With varying tastes and experiences, each of the cottages was designed and furnished to reflect the owners' individual unique styles. The cottages are positioned brilliantly across the property to maximize privacy and lake views. We want our guests to enjoy the comforts similar to the best places we have been to but at reasonably lower budget and Nile Front Cottages offer exactly that!

We also want to use the Nile Front as a vehicle for positive change on the neighboring community and environment, as a result, we decided that whatever we do in this business, we will have a strong consideration for Our People and Our Planet.

Our location in Jinja town allows our guests to enjoy quiet lakeside seclusion, while remaining within walking distance of Jinja's finest eateries and places of historical interest. We are within a 5-minutes walking distance to the Old Ferry port, the Jinja Golf, Tennis & Squash Club and 15 minute walk to the source of the Nile.

All our cottages are uniquely built with wooden floors, walls and ceilings, and most have self-catering facilities. The personal touch in the styling and furnishing makes each cottage unique and feel like a home away from home.
